THEME STATEMENT

24k gold, like the Bruno Mars song.

And, just like the song, our yearbook theme symbolizes the magic of the memories we made this year, and all high school years prior. High school is known by many as the "golden years." The pages of this book and the memories captured are pure gold.

Freshman year, we entered NHS as the only grade in the building, to hybrid learning. There were a handful of students in each classroom, the remainder on a Google Meet. We were separated from each other with masks, remote Wednesdays, social distancing, and QR codes on the lunch tables. There was little magic during our first year at NHS.

Sophomore year brought hope for the sparkle of high school to return. We were finally back in school full time, but still wearing masks and using one-way hallways. We were shifting toward a new "normal," attending sporting events and drama performances, sitting close to our friends at lunch, and participating in clubs again. By the end of the year, the mask mandate was lifted and it felt like the small miracle we needed to bring the shine back to our class.

Junior year we returned and things felt more normal than ever. With a new start time and schedule, we were finally upperclassmen. The restrictions from the pandemic were gone, and we were able to reconnect as a class through sports, activities, and social gatherings. The year felt golden as we said goodbye to the graduating seniors and began to look forward to becoming seniors ourselves.

Magic was in the air as Senior year began. Our days were filled with talk of college, post-grad plans, senior activities, and graduation in June. We made the school ours, and shined like 24k gold as the leaders of the school in our blue and gold attire.

The magic may have been dull during our Freshman year, but it certainly grew to an all-time high for our Senior year. The class of 2024 will always carry this magic with us as we leave NHS, even when it seems impossible. While we will be in different places next year, we will carry our memories of NHS with us.

Dedication

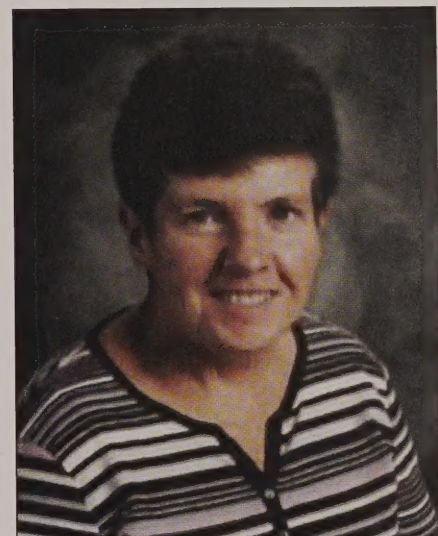

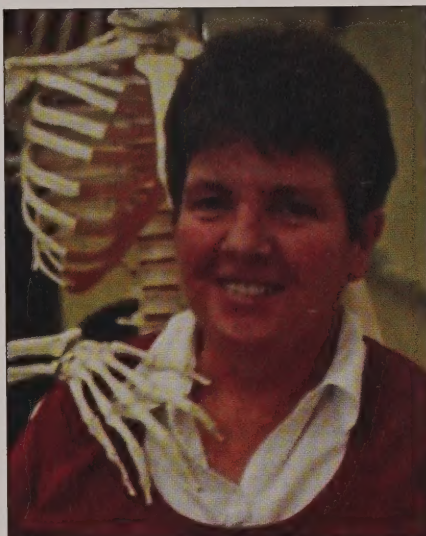

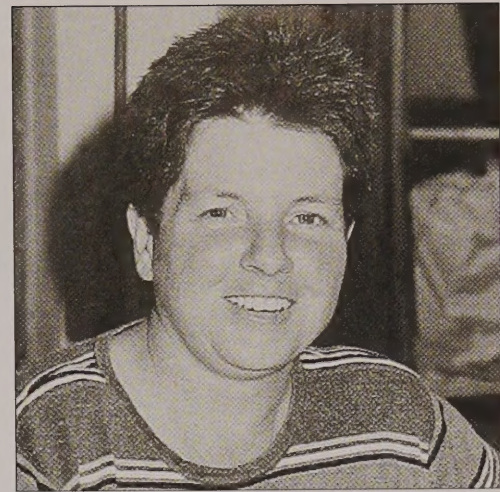

Ms. Anne Marie Busler

The Yearbook Staff is proud to dedicate the 86th edition of the Norwood High School TIOT Yearbook to Ms. Anne Marie Busler.

Anne Marie Busler began working in the NHS Science Department in September 2000. She was hired by George Usevich who was impressed that this "graduate of the School on the Hill still showed her Norwood Spirit by attending athletic events." Ms. Busler started out teaching Physics, which only now, years later, can she laugh about. However, she found her true passion in teaching Freshman Biology and Senior Anatomy and Physiology, enjoying seeing students at the beginning and end of their NHS careers. No matter how many years she taught, Ms. Busler always found new ways to engage her students. Ms. Busler's impact reached beyond the classroom. She supported the NHS Music and Drama Programs, as both a fan and a dedicated volunteer. In Athletics, her roles as equipment manager and game supervisor have earned her the informal title of "Assistant Athletic Director."

Thank you, Ms. Busler, for all you have done for NHS students, artists, and athletes. You have certainly earned a wonderful retirement. Enjoy those beautiful grandchildren!

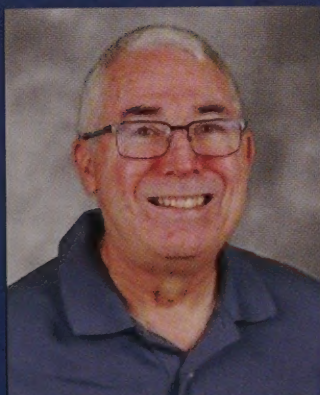

THANK YOU, AND CONGRATULATIONS!

Kathy Crowley, Michael Flaherty, Officer Mahoney, and Joe Soares will be "graduating" with the Class of 2024. The yearbook staff would like to thank them for their years of service on behalf of the entire Norwood High School community!

To the Class of 2024,

As you get a little bit older, when you see your classmates, family, or teachers who you have not have seen in a while, they will inevitably ask you some version of, "What have you been up to?" This can be a stressful question. Depending on "what you are up to," it can also be tricky to answer.

However, you should feel confident now that you have the ability to apply the skills that you have sharpened throughout your careers at NHS to the next stage of your life. You don't necessarily have to know exactly what you will "be up to" in two years, five years, or ten years. You have refined the skills of collaboration, critical thinking, creativity, communication, and citizenship and you will be well-suited to utilize those skills in whatever you do next. You may have something specific in mind now and that may be exactly what you do; you may also start down one path, and your direction may change. While the direction may change, the skills you will need to apply in the new situation will remain the same, and you should feel confident that you are prepared for that shift.

I often tell you that we (the adults here at NHS) do not exist here if you do not exist here. Said differently, our sole purpose as educators here is to work with you to facilitating learning and growth that can be applied successfully in your future. It has been an honor to serve as your principal and see you develop the 5 C's over time so that this application can happen. When I see you down the road, and I ask "What have you been up to?" I can't wait to hear the amazing responses.

With Admiration and Respect,
Hugh T. Galligan
Principal

Dear Class of 2024,

It has been an honor and a privilege to have worked with you and learned from you for the last four years. You made every day count here at the School on the Hill making memories and working hard to accomplish your goals.

You will be remembered for your compassion, leadership, and sense of community.

Some simple lessons that we have learned together during your time on the Hill will always hold true: believe in yourselves, be kind, and do your best. Just remember: you can always come home!

Mustangs forever.

Love you always,
Mrs. Derrane

The background of the entire page is a dark navy blue, densely populated with small, circular gold dots of varying sizes, creating a sparkling or starry effect.

Dear Favorite Seniors:

Someone once said, "Find a job you enjoy doing, and you will never have to work a day in your life." I have a lot of respect for our literary friend Mark Twain, but I think he had this all wrong. Anything you do in life will require real, hard, consistent work. The goal is to try to make that work purposeful, impactful, and genuinely meaningful to who you are and who you want to be. And the fun, and often messy part is what we learn and the barriers we knock down along the way.

You are young adults (most of you are only 17- or 18-years-old), you're not supposed to know "what" you're going to do for the rest of your life. But you can (and should!) work towards establishing "who" you're going to be for the rest of your life. And hopefully that "who" is someone of high character who is good to others. Although I'm still trying to figure it all out myself, I can promise you that if you're committed to finding your "who", you're going to find immense satisfaction with whatever "what" you end up doing.

It has been an absolute privilege to watch you all grow and thrive these past 4 years, and to simply get to know each of you. From your Covid-sprinkled freshman year to your current status as "Norwood High School Graduate" (woah!), you have continued to make us so proud to call you a Mustang. You have personally made this year so fun and so special to me, and I can't thank you enough for that.

Good luck out there finding your "who"! ... And make sure to enjoy the crazy ride getting there!

Much Love,
Ms. McDonnell

Thank you, Ms. Curtin!

The Class of 2024 would like to give a special thanks to Ms. Curtin. She dedicated countless hours to our class and worked tirelessly over the past four years to ensure we had a memorable experience at NHS. She was instrumental in her guidance, support, and enthusiasm as we planned class events and fundraisers. Our time at the School on the Hill was pure gold because of you!

11 students participated in the **2024 Massachusetts Amazing Emerging Artists Juried Show**. Piloted in 2018, the Amazing Emerging Artists Recognitions is a juried show for students in grades 9-12 whose art teachers are members of the Massachusetts Art Education Association (MAEA). Student entries are submitted digitally and are judged using a blind process by a panel of art educators. The 2024 MAEA Amazing Artists exhibition will be a virtual exhibition that will be published on the MAEA website. NHS Student artists include:

Congratulations Ashley!!

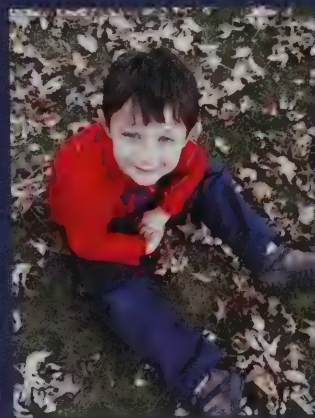

It has been amazing watching you grow from a happy, adventurous and loving girl with a quick smile into the smart, beautiful, caring and capable young woman you are. You are a beautiful person, inside and out! Continue the dedication and hard work and you will achieve whatever you want to be. Grampy would be so proud of you today. I want to thank you for all the love, laughter, and happiness that you have brought into our lives through the years. I am so proud of you, & love you so much. Grampy is your guardian angel now. He'll always be with you!

Hugs & Kisses, Love, Nana

Congratulations, Trevor Brown!

We are so proud of everything you have accomplished, and, more importantly, the human you have become. Your kindness, creativity, humor, and insights make the world a brighter place. We love you always! Love, your whole family - Mom, Dad, Dean, Graham, Sarah, Grandma, Grandpa, Shari, Marilyn, Marci, Lou, Sam, Eric, Jenny, Bob, Stella, Jackson, Alice, and all the aunts, uncles, cousins, and pets! You are amazing!

Kaylie,

We know you will continue to do amazing things.

You don't need a paved road in front of you. You pave them for others.

You are talented, hard working, and most importantly, kind and thoughtful.

We are all so proud of you.

NOUN; located at the end of the book, a complete description of publication or production notes that is relevant to the volume

Why TIOT?

Tiot (pronounced tie-ot) originates from the language of the native Neponsets, a branch of the Algonquin tribe. Translated to "enclosure of waters," the term refers to Norwood being surrounded by water on three sides.

For the most part, the first few settlers of the Norwood area situated themselves on the fertile land beside the Neponset River and along the Traphole Hawes Brooks. The settlers gradually transformed the wilderness into a small-contained village, that came to be known as Tiot.

Around the 17th century, Tiot became a nickname for the area that is now known as South Norwood. In 1639, Tiot was a part of Dedham, along with the 14 other communities in Southeastern Massachusetts. The town of Norwood was officially formed in 1872.

Today, Tiot remains a visible symbol of town pride. It has been the name of the Norwood High School yearbook since 1929.

Thank you for
your support of
the 2024 Tiot
Yearbook!

Book Creation Information

The yearbook is a student-made publication of Norwood High School. The publication is produced entirely by students (henceforth known as "Staff") under the supervision of a Faculty Advisor in a class environment. Pictures, interviews, quotes, and statistical data were gathered by the Staff and submitted by the Norwood School Community over the course of the 2023 - 2024 academic year. Content from the Norwood Community was submitted via email, shareable drive, or image sharing app. The Staff is responsible for layout, design, copy, and caption writing, as well as the overall editing of the publication. Every effort is made to ensure that the Norwood High School yearbook is holistic, objective, and accurate. Although the publication is thoroughly proofread and edited, we sincerely apologize for any omissions, misspellings, misattributes, or other mistakes that occurred during this educational editorial process.

Senior portraits were taken by many local photographers, including but not limited to: Dan Busler Photography, Kim Federico, Yash Shah, Kate Kelley Photography, Legacy Studios, and other talented photographers. Underclass portraits were taken by Legacy Studios. Additional photography support was provided by Steve Conant, Kate Curtin, Kim Federico, and Jack Tolman.

This edition of the TIOT Yearbook was published by Walsworth Yearbooks. Our Walsworth sales representative was Debbie Cohen. Yearbook creative and content advisor was Ms. Kendra Leavitt. Yearbook financial advisor was Mrs. Jennifer Dwyer. Additional yearbook consultation and support was provided by Ms. Cindy Derrane, Ms. Teresa Drummey, and Dr. Hugh Galligan.

This book is 208 full color pages in 8.5x11 format. All pages were created by TIOT staff and submitted over four deadlines. Font families used include Avant Guard, Betany, Helvetica, and Times New Roman. The cost of books ranged from \$70 to \$90, with lower prices available to early buyers.
